# The All New TRAX AMBULANCE

## NEXT GENERATION MODULAR UTILITY VEHICLE PLATFORM

The fully factory built, All New Trax Ambulance is ready to use from day one. The independent front suspension and parabolic rear suspension ensure best in class ride quality for the patient. The new G-28 Synchronesh Gear Box with Cable Shift ensures smooth and quick gear changes. The Trax Ambulance is ideal for use in narrow congested lanes and the rough road conditions in the rural areas.

All new interiors, new seats, dual tone dashboard and new instrument cluster

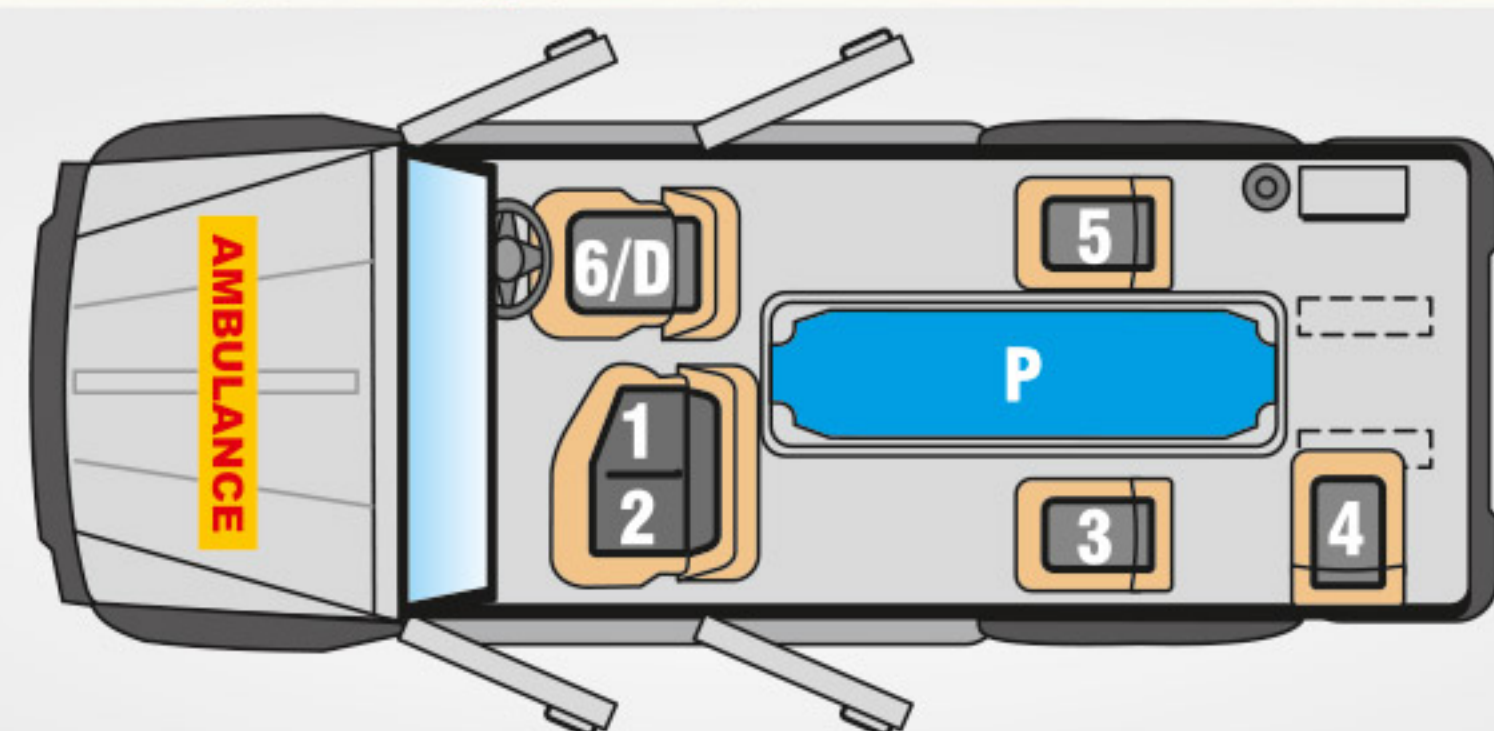

Foldable seats for convenient movement, Swivelling Fans and Ample lighting

Autoloader Stretcher mounted through specially designed ramp

### FITMENTS
